**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2013**

1. SIGNIFICANT ACCOUNTING POLICIES

The financial report is a general purpose financial report that has been prepared in accordance with Australian equivalents to International Financial Reporting Standards (AIFRS), other authoritative pronouncements of the Australian Accounting Standards Board, Interpretations and the Fair Work (Registered Organisations) Act 2009.

Basis of Preparation

The financial report is for The Motor Inn, Motel and Accommodation Association and in accordance with the Fair Work (Registered Organisations) Act 2009 the Association is a reporting unit. The Motor Inn, Motel and Accommodation Association is an organisation registered under the Fair Work (Registered Organisations) Act 2009. In accordance with the Act the Association is a body corporate and has perpetual succession. By virtue of this method of incorporation, the Association is not subject to the Corporations Act 2001.

The financial report has been prepared on the basis of historical costs modified by the revaluation of selected financial assets and liabilities for which the fair value basis of accounting has been applied. Cost is based on the fair values of the consideration given in exchange for assets. The accounting policies have been consistently applied, unless otherwise stated.

The following is a summary of the significant accounting policies adopted by the Association in the preparation of the financial report.

(a) Income

Contributions are accounted for on an accruals receipts basis.

(b) Receivables

Receivables are recognised at original invoice amounts. Collectability of receivables is assessed on an ongoing basis. Debts which are known to be uncollectible are written off.

(c) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables on the statement of financial position are shown inclusive of GST.

(d) Accounting Standards Issued But Not Yet Effective

There have been no accounting standards issued which will impact the financial report in future periods and which are not yet effective.

2. ACCOUNTING ESTIMATES AND JUDGEMENTS

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

(a) Critical accounting estimates and assumptions

The Association makes estimates and assumptions concerning the future. The resulting accounting estimates by definition seldom equal the related actual results. There are no estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities.

(b) Critical judgments in applying the Association's accounting principles

There are no critical judgements that have a significant risk of causing a material adjustment to the carrying amounts of the assets and liabilities.

3. INFORMATION TO BE PROVIDED TO MEMBERS OR THE GENERAL MANAGER OF FAIR WORK AUSTRALIA

In accordance with the requirements of the Fair Work (Registered Organisations) Act 2009, the attention of members is drawn to the provisions of Sections 272 of Fair Work (Registered Organisations) Act 2009 which read as follows:
