NOMINATIONS OPEN FOR NSW ACCOMMODATION AWARDS

Nominations have officially opened for the State's most prestigious hospitality and tourism awards, the Accommodation Australia NSW Awards for Excellence.

Accommodation Australia NSW General Manager Stacey McBride said this year's awards look set to be the biggest yet with honours up for grabs across 41 diverse categories.

"This year we are excited to introduce three new categories; Best Hotel Breakfast, Best Boutique Accommodation Experience, and Luxury Hotel of the Year, along with all the classic categories we have each year," said Ms McBride.

"Last year we had a record-breaking 354 entries ranging from five-star CBD hotels to small family run motels in the regions.

"These are hotels which lead the way in innovation, in staffing and in service and the task of narrowing down these categories to one or two winners will be difficult for our team of independent judges."

The Awards for Excellence are open to all members of Accommodation Australia NSW who meet the nomination criteria, and many winners will also be eligible to enter the AHA National Awards.

Nominations and written submissions are due Friday, 21 March 2025 with finalists announced Friday, 20 June 2025.

The Gala award ceremony will be held Thursday, 17 July 2025 at 6:00pm at a special venue yet to be announced.

Ms McBride said hotels wanting to enter can join a free a webinar on Thursday, 20 February.

"Our chair of judges will provide some tips and tricks on how to successfully put together your written submissions and prepare for employee interviews," she said.
